

Junior Consultant for Agriculture and Food Value Chain

With focus in Sustainable Agriculture

ELFIN GmbH is a consultancy company specializing, among others things, in agricultural projects, with a focus on the food value chain and sustainable agriculture. We support all corporate levels of multinational companies in the creation and implementation of innovative concept at the interface between business and agriculture (e.g. traceability systems; collaborative partnerships; and marketing, training and certification concepts). At ELFIN, we combine powerful consultancy concepts with agricultural expertise and deep sector understanding to deliver our clients effective solutions for growth, increasing profitability and customer satisfaction.

We would like to hire **a graduate/young professional** with focus on Food-Value-Chain and practical experience according to your tasks (see below) **as junior consultant** to expand our team in **Cologne as soon as possible**.

Your tasks – You are part of a project team for:

- › Development of training concepts for sustainable agriculture with focus on the Food Value Chain
- › Analysis and content creation of training material based on your agricultural expertise
- › Intercorporate project development and optimization
- › Sustainable increase of profitability and growth

Your profile – Ideally you have:

- › Finished a bachelor/master or degree in agricultural studies, preferably including courses in crop protection and -production with good grades, practical agricultural experience is desired
- › General business knowledge: strategy, organization, marketing and project management
- › Understanding and enthusiasm for agricultural topics
- › Excellent communication and collaboration skills
- › Keen eye for detail and ability to work independently
- › High motivation, personal responsibility and entrepreneurial drive
- › Excellent knowledge of MS Office (PowerPoint, Excel, Word)
- › Very good written and spoken English knowledge (International experience or internship, Native speakers also welcomed)

We offer:

- › Exciting projects with some of the world's leading brands
- › A friendly corporate culture with an international team
- › A fertile working environment with exceptional opportunities for professional growth
- › Cologne-based office
- › Traveling at less than 20%
- › Appropriate remuneration (based on experience)

If you wish to be a part of our team please send your complete application via email to the following address: Irene.fahrenheit@elfin.de
